SCG2 and SCG3 will each have 3 Board spots open for next year.

I encourage any homeowner who is interested in volunteering for the Board or would like more information, to please contact me.

A lot of the current Board members have been serving multiple terms because of lack of interest.

Your opinions do matter and only can be expressed if you join the Board or become an active owner attending the Board meetings.

Either way we would love you all to be more involved and I look forward to fielding your interest.

Thx.

Matt
